

POOR TIME MANAGEMENT: WHERE DOES THE DAY GO?

FACTS/INSIGHTS

80% of people feel they don't have enough time in a day

The average person spends 3-4 hours/day on their phone

Multitasking can reduce productivity by up to 40%

IMPACT OF THE PROBLEM

- Missed deadlines
- Increased stress and burnout
- Lower productivity and focus
- Poor work-life balance

PROPOSED SOLUTION

- Set daily priorities
- Use planners or digital calendars
- Limit distractions (especially phone use)
- Break tasks into smaller steps
- Schedule rest time
